## BOD Chair Report

Hello Region:

Our last meeting was August 17 at Grace Baptist Church in Baton Rouge and zoom. I am providing you with a copy of the Board of Directors minutes as well as copies of minutes from the October, November, December and January Host Convention Committee meetings.

We currently have 5 board members – Ric, Stephan, Billie, Pleas and myself. We can use a few more members for the board to help keep the LRCNA's running and solvent. Please go back to your areas and see if anyone would be interested in being involved.

Our current LRCNA for 2026 is doing very well. They sold 140 raffle tickets for the convention package. The winning ticket was drawn and announced at the New Years Eve fundraiser. They currently have 115 room nights sold which is 91% of their room block for the convention...many months out. And they have already sold 2 of the 130 banquet tickets. They do need a Merchandise Chair and a Hugs Committee Chair if anyone is interested.

Members from the Central Louisiana Area have reached out to us in hopes of putting on the LRCNA in 2027. We spoke with one hotel that is not interested in working with us. This week we drove to Alexandria and spoke with the Four Points Sheraton. They will be sending us a proposal soon. We hope to be meeting soon to discuss it.

In loving Service,

Pixie Storer
